Re: *Application of Lockhart Power Company for General Increase in Electric Rates*
SCPSC Docket No. 2007-33-E

Dear Mr. Terreni:

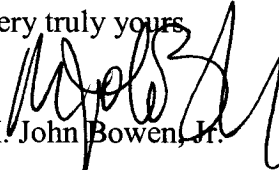

This letter is to request a change of hearing date in the ***Application of Lockhart Power Company for General Increase in Electric Rates***. The matter is currently scheduled for hearing on June 19 and 20, 2007. Because of witness conflicts, we would like to propose a rescheduled hearing date at 10:30 a.m., Tuesday, June 12, 2007 at which time all witnesses for all parties can be present. We understand that date and time is currently open on the Commission's calendar.

I have discussed the June 12th date with all parties of record (ORS and the Energy Users) and that date is agreeable to them. We appreciate the Commission's consideration of this request.

By copy of this letter we are herewith serving all parties of record.

Should you have any questions with respect to this matter, please give me a call.

Very truly yours,

M. John Bowen, Jr.
